

Just a short 2km from Ubud centre, Harmony is a world away from hustle and bustle.

Five exclusive luxury villas featuring open tropical architecture focus on privacy and tranquility. Set in lush gardens, they are steps away from our 15 meter infinity pool, blending magically into the rice fields.

Awaken to coffee on your secluded deck with the majestic volcanoes in the verdant distance. Enjoy a refreshing wake-up swim, then dig into a delicious breakfast made in your own villa. Do as much or as little as the spirit moves you.

Welcome to
BALI HARMONY
 Villas

Villa Jantung (Heart)
 Luxury One Bedroom Villa
 Gourmet Kitchen
 Priced from \$116 per night

Set in a majestic banana grove and steps from the pool, Jantung features a wrap-around deck with a private waterfall and a commanding view of the rice fields. Featuring an open plan living room and large kitchen, the spacious master bedroom with canopied bed and an en-suite garden bathroom will allow you to fully relax and enjoy the Harmony lifestyle. Jantung is surely where you'll leave your heart for your short or long term stay.

Villa Budi (Goodness)
 Luxury Two Bedroom Villa
 Gourmet Kitchen
 Priced from \$167 per night

With a 180 degree panorama from the huge living room across verdant rice paddies to stunning volcanoes, Budi is the place to enjoy Bali. Teak and terrazzo bedrooms (queen in the master, single or queen in the guest room) and a fully opening glass wall to the west for stunning sunsets from the master gives one of best views in Ubud. There's en-suite stone and granite garden bathrooms with bath/shower in the master and rain shower in the guest room, a huge gourmet kitchen and it's just steps to the infinity pool.

Villa Asmara (Love)
 Luxury One Bedroom Villa
 Gourmet Kitchen
 Priced from \$133 per night

The ultimate love nest for absolute privacy. With a tropical meditation garden and unimpeded view of the volcanos, Asmara's expansive deck sits right on the rice fields. The open living area includes a full gourmet kitchen. The spacious yet intimate bedroom has a canopied bed, rich décor and writing desk. The en-suite granite and stone bathroom includes a soothing dual control rain shower and unique "Buddha" window.

Villa Sungai (River)
 Luxury Two Bedroom Villa
 Gourmet Kitchen
 Priced from \$152 per night

With a small river beyond the 12 meter relaxation deck overlooking an ocean of rice fields and amazing sunsets, Sungai promotes fresh air and natural lighting with an expansive open concept living and dining room and granite kitchen. Both bedrooms look out over the rice fields and the guest bedroom is set up for twin beds or a queen. Two large en-suite bathroom facilities feature rain showers for tropical bathing experiences. The infinity pool is steps away.

Villa Jiwa (Soul)
 Luxury One Bedroom MiniVilla
 Priced from \$89 per night

This loveable hideaway villa will charm your soul with its ample seating/relaxation area and en-suite garden bathroom with rain shower. The spacious bedroom includes a refreshment bar, a canopied bed and two large closets. Jiwa's terrace deck is set in a private tropical garden overlooking the pool with a beautiful rice field view.
